Re: Deposit Accounts Minimum Balance Requirements
Docket No. RM 2009-4

Dear Sirs:

Thank you for the opportunity to comment on this issue.

We have maintained a Deposit Account with the Copyright Office for over 20 years and respond to each of the points of the Copyright Office new proposal as follows:

- (1) We agree with the minimum activity of 12 transactions per year.
- (2) We that account holders should maintain a minimum account balance and that the Copyright Office works with each account holder to amicably work out the minimum amount.
- (3) We agree with this based on a person being able to open it again under the conditions proposed.
- (4) We agree the Copyright Office should offer this.

Please let us know if there is anything else we can do to assist on this matter.

Best regards,

Ryland Hawkins
