Re: Questions Relating to the iPhone

Dear Mr. Kasunic,

The Joint Creators and Copyright Owners¹ appreciate this opportunity to respond to the questions posed in your letter dated June 23, 2009 regarding proposed Exemption 5A. However, we do not have anything substantive to add at this time. We look forward to reviewing the responses of other parties, and we hope we will be given an opportunity to comment on those responses. In addition, we respectfully call your attention to the detailed response submitted by Apple Inc., which we are continuing to review.

Please let us know if you have further questions.

Respectfully submitted,

J. Matthew Williams
