

Lauren Keswick
Medical Illustrator
Durham, NC 27712

April 27, 2012

I have been a freelance illustrator for 25 years. My livelihood depends on my ability to create and protect my work. I must copyright all my artwork in order to protect my business, without copyright I could not stay in business. I produce 100's of images a year. This new fee doubles the cost of copyright. I can not afford this new fee. I can not afford this new fee. I can not afford this new fee.
