

# ANNOUNCEMENT

from the Copyright Office, Library of Congress, Washington, D.C. 20559-6000

## PUBLICATION OF SECOND LIST OF NOTICES OF INTENT TO ENFORCE COPYRIGHTS RESTORED UNDER THE URUGUAY ROUND AGREEMENTS ACT.

### COPYRIGHT RESTORATION OF WORKS IN ACCORDANCE WITH THE URUGUAY ROUND AGREEMENTS ACT; LIST IDENTIFYING COPYRIGHTS RESTORED UNDER THE URUGUAY ROUND AGREEMENTS ACT FOR WHICH NOTICES OF INTENT TO ENFORCE RESTORED COPYRIGHTS WERE FILED IN THE COPYRIGHT OFFICE

The following excerpt is taken from Volume 61, Number 170 of the *Federal Register* for Friday, August 30, 1996 (pp. 46133-46159)

#### LIBRARY OF CONGRESS

##### Copyright Office

[Docket No. 96-4]

##### Copyright Restoration of Works In Accordance With the Uruguay Round Agreements Act; List Identifying Copyrights Restored under the Uruguay Round Agreements Act for which Notices of Intent to Enforce Restored Copyrights Were Filed in the Copyright Office

AGENCY: Copyright Office, Library of Congress.

ACTION: Publication of Second List of Notices of Intent to Enforce Copyrights Restored Under the Uruguay Round Agreements Act.

**SUMMARY:** The Copyright Office is publishing its second list of restored copyrights for which it has received and processed Notices of Intent to Enforce a copyright restored under the Uruguay Round Agreements Act. Publication of the lists creates a record for the public to identify restored copyright owners and works for which Notices of Intent to Enforce have been filed with the Copyright Office.

**EFFECTIVE DATE:** August 30, 1996.

**FOR FURTHER INFORMATION CONTACT:**  
Marilyn J. Kretsinger, Acting General Counsel, or Charlotte Douglass, Principal Legal Advisor to the General Counsel, Copyright GC/I&R, Post Office Box 70400, Southwest Station, Washington, D.C. 20024. Telephone: (202) 707-8380. Telefax: (202) 707-8366.

**SUPPLEMENTARY INFORMATION:** The Uruguay Round General Agreement on Tariffs and Trade and the Uruguay Round Agreements Act (URAA) (Pub.L.No. 103-465; 108 Stat. 4809 (1994)) provide for the restoration of copyright in certain works that were in the public domain in the United States. Under section 104A of title 17<sup>1</sup> of the United States Code as provided by the URAA, copyright protection was restored on January 1, 1996, in certain works by foreign nationals or domiciliaries of World Trade Organization (WTO) or Berne countries that were not protected in the United States for the reasons listed below. 17 U.S.C. 104A (1994). Specifically, to qualify for restoration, a work must be an original work of authorship that:

- (1) is not in the public domain in its source country through expiration of term of protection;
- (2) is in the public domain in the United States due to:
  - (i) noncompliance with formalities imposed at any time by United States copyright law, including failure to renew, publishing the work without a proper notice, or failure to comply with any manufacturing requirements;
  - (ii) lack of subject matter protection in the case of sound recordings fixed before February 15, 1972; or

<sup>1</sup> The URAA's amendment of 17 U.S.C. 104A replaces section 104A under the North American Free Trade Agreement Implementation Act (Pub.L.No. 103-182, 107 Stat. 2057, 2115 (1993)). The Uruguay Round Trade Agreements, Texts of Agreements, Implementing Bill, Statement of Administrative Action, and Required Supporting Statements, H.R. Doc. No. 316, 103d Cong., 2d Sess. 324 (1994). See 60 FR 50414 (Sept. 29, 1995).

(iii) lack of national eligibility (e.g., the work is from a country with which the United States did not have copyright relations at the time of the work's publication); and

(3) has at least one author (or in the case of sound recordings, rightholder) who was, at the time the work was created, a national or domiciliary of an eligible country. If the work was published, it must have been first published in an eligible country and not published in the United States within 30 days of first publication.

See 17 U.S.C. 104A(h)(6). A work meeting these requirements is protected "for the remainder of the term of copyright that the work would have otherwise been granted in the United States if the work never entered the public domain in the United States." 17 U.S.C. 104A(a)(1)(B).

Unlike the procedure for restoration under the North American Free Trade Agreement Implementation Act, under the URAA, copyright in restored works vests automatically on the date of restoration. 17 U.S.C. 104A(a)(1)(A). That date is January 1, 1996, if the particular nation was already a member of the World Trade Organization (WTO) or the Berne Convention. Otherwise, the effective date of restoration is the date of a particular nation's adherence to the WTO or the Berne Convention or the date when the President issues a proclamation extending copyright restoration to that nation.

Although the copyright owner may immediately enforce the restored copyright against individuals who infringe his or her rights on or after the effective date of restoration, the copyright owner's right to enforce the

restored copyright is delayed against reliance parties. Typically, a reliance party is one who was already using the work before December 8, 1994, the date the URAA was enacted. See 17 U.S.C. 104A(h)(4). Before a copyright owner can enforce a restored copyright against a reliance party, the copyright owner must first file or serve a Notice of Intent to Enforce (NIE) on such parties.

A copyright owner may file an NIE in the Copyright Office within two years of the date of restoration of copyright.

Alternatively, an owner may serve an NIE on an individual reliance party at any time during the term of copyright; however, such notices are effective only against the party served and those who have actual knowledge of the notice and its contents. NIEs appropriately filed with the Copyright Office and published herein serve as constructive notice to all reliance parties.

Pursuant to the URAA, the Office is publishing its second four month list identifying restored works and the ownership for Notices of Intent to Enforce a restored copyright filed with the Office. 17 U.S.C. 104A(e)(1)(B). The first list was published on May 1, 1996. 61 FR 19372. The NIEs listed herein are those entered into the public records of the Office between April 19, 1996, and August 16, 1996.

We have published only the names of the owners and the titles listed in the NIEs because that is all that is required by law and we do not have the funds to include any additional information. By using this information, one may search the Office's database to obtain additional information about a particular NIE. NIEs are located in what is known as the Copyright Office History Documents (COHD) file which is available from computer terminals located in the Copyright Office itself or from terminals located in other parts of the Library of Congress; it is also available through Internet. This information may be obtained through the Library of Congress Information System (LOCIS). The hours of availability are Monday through Friday 8:30 a.m.-5:00 p.m. U.S. Eastern Time (Copyright Office) or over the Internet Monday-Friday 6:30 a.m.-9:30 p.m. U.S. Eastern Time, Saturday 8:00 a.m.-5:00 p.m., and Sunday 1:00 p.m.-5:00 p.m. Alternative ways to connect through Internet are: (i) use the Copyright Office Home Page on the World Wide Web at: <http://lcweb.loc.gov/copyright>; (ii) telnet to locis.loc.gov or the numeric address 140.147.254.3 and log in as marvel; (iii) telnet to marvel.loc.gov, or the numeric address 140.147.248.7 and log in as marvel; or (iv) use a Gopher Client to connect to marvel.loc.gov.

Information available online includes:

the title or brief description if untitled; an English translation of the title; the alternative titles if any; the name of the copyright owner or owner of one or more exclusive rights, the date of receipt of the NIE in the Copyright Office; the date of publication in the Federal Register; and the address, telephone and telefax number of the copyright owner. If given on the NIE, the online information will also include the author, the type of work, and the rights covered by the notice. See 37 C.F.R. 201.33(f). For the purpose of researching the full Office record of NIEs on the Internet, the Office is preparing online search instructions that will soon be accessible through the Copyright Homepage. When these instructions become available, a researcher can access them through the Library of Congress Homepage on the World Wide Web by selecting the copyright link. Additionally, images of the complete NIEs as filed are on optical disc and available from the Copyright Office.

The following restored works are listed alphabetically by copyright owner; multiple works owned by a particular copyright owner are listed alphabetically by title. Works having more than one copyright proprietor are listed under the first owner and cross-referenced to the succeeding owner(s). A cross-reference to the composite owner (e.g. Title I owned by "A B & C") will state, "see A B & C" at the listing for each individual owner, (e.g., for Owner A, for Owner B and for Owner C).
