

"While Bellevue Radio, Inc., an FCC licensed broadcaster, is not currently streaming music on its website, it contemplates that it will commence streaming some of its on-air programming in the near future. In the event such transmissions are covered by the Digital Millennium Copyright Act, as amended, and are not otherwise licensed, this initial notice constitutes Bellevue Radio's intention to obtain statutory licenses thereunder. Bellevue Radio contends that it is not legally required to obtain any such licenses. Accordingly, the filing of this initial notice shall not be deemed a waiver of such claim."
