Dear Sirs:

This letter is filed on behalf of the Georgia Public Telecommunications Commission ("GPTC"), operator of the Peach State Public Radio network.

This constitutes initial notice, in the event that its transmission service is covered by the Digital Millennium Copyright Act, as amended (the "Act"), and is not exempt from the provisions of that Act or otherwise licensed, of the GPTC's intention to obtain statutory licenses under the Act.

GPTC contends that it is not required to obtain any such licenses, but is filing this Notice in the event that its position should prove incorrect and its audio streaming activities are subject to the Act. GPTC hereby expressly reserves all rights to assert any and all claims with respect to the applicability of the Act and to any claim of copyright liability that may be maintained as to its audio streaming activities. This letter shall not be deemed a waiver of such claims.

As required, enclosed is our check for \$20.00 as a filing fee.

Very truly yours,

James M. Lyle
