Application**

**IDENTIFICATION OF CONTINUATION SHEET:** This is a continuation of the application for copyright registration on Form D-VH. Identify the title of the work as it appears in **Space 1** (i.e., make and model of the vessel) of Form D-VH:

**A**

**Continuation  
of Space 2**

(2a) What is the type or style of the design for which registration is sought?

*(cont.) Family Cruiser, fishing boat. The sheer and sharp bow entry is designed to reduce bow lift, allowing the bow to knife through waves rather than trying to ride up on top of them. This allows for a 12 Knot speed.*

(2b) Provide a brief general statement setting forth the salient features of the design.

*(cont.) is designed to accommodate the out-board in the up & trim positions, while minimizing the opening in the stern; by making the inside opening larger than the exterior (opening visible to the exterior). The transom (motor mount) is undercut 18% rather than the normal 12% to emulate the character of a shaft drive 'inboard'.*

(2c) If this design is derived from an earlier design, explain how that design has been revised, adapted, or rearranged.
