Privacy Act Notice: Section 111 of title 17 of the United States Code authorizes the Copyright Offce to collect the personally identifying information (PII) requested on this form in order to process your statement of account. PII is any personal information that can be used to identify or trace an individual, such as name, address and telephone numbers. By providing PII, you are agreeing to the routine use of it to establish and maintain a public record, which includes appearing in the Offce's public indexes and in search reports prepared for the public. The effect of not providing the PII requested is that it may delay processing of your statement of account and its placement in the completed record of statements of account, and it may affect the legal sufficiency of the fing, a determination that would be made by a court of law.

G	In General: In space G, identify every television station (including translator stations and low power television stations) carried by your cable system during the accounting period, <i>except</i> (1) stations carried only on a part-time basis under FCC rules and regulations in effect on June 24, 1981, permitting the carriage of certain network programs [sections]			
Ŭ				
Primary	76.59(d)(2) and (4), 76.61(e)(2) and (4), or 76.63 (referring to 76.61(e)(2) and (4))]; and (2) certain stations carried on a			
ansmitters:	substitute program basis, as explained in the next paragraph.			
Television	Substitute Basis Stations: With respect to any distant stations carried by your cable system on a substitute program basis under specific FCC rules, regulations, or authorizations:			
	• Do not list the station here in space G—but do list it in space I (the Special Statement and Program Log)—if the			
	station was carried <i>only</i> on a substitute basis.			
	List the station here, and also in space I, if the station was carried both on a substitute basis and also on some other			
	basis. For further information concerning substitute basis stations, see page (v) of the general instructions. <b>Column 1:</b> List each station's call sign. <i>Do not</i> report origination program services such as HBO, ESPN, etc. Identify each			
	multicast stream associated with a station according to its over-the-air designation. For example, report multistream			
	"WETA-2" as the same on the form.			
	<b>Column 2:</b> Give the channel number the FCC assigned to the television station for broadcasting over the air in its community of license. For example, WRC is channel 4 in Washington, D.C.			
	Column 3: Indicate in each case whether the station is a network station, an independent station, or a noncommercial			
	educational station, by entering the letter "N" (for network), "N-M" (for network multicast), "I" (for independent), "I-M"			
	(for independent multicast), "E" (for noncommercial educational), or "E-M" (for noncommercial educational multicast).			
	For the meaning of these terms, see page (iv) of the general instructions in the paper SA1-2 form.			
	<b>Column 4:</b> Give the location of each station. For U.S. stations, list the community to which the station is licensed by the FCC. For Mexican or Canadian stations, if any, give the name of the community with which the station is identified.
