Privacy Act Notice: Section 1401 of title 17 of the United States Code authorizes the Copyright Office to collect the personally identifying information (PII) requested on this form in order to process your Notice of Contact Information. PII is any personal information that can be used to identify or contact an individual, such as names, addresses, and telephone numbers. By providing PII, you are agreeing to the routine use of it to establish and maintain a public record, which includes appearing in the Office's public indexes. The effects of not providing the PII requested are that it may delay the processing of your Notice of Contact Information, and it may affect the legal sufficiency of the filing, a determination that would be made by a court of law.
