Class of works: I am writing in support of Class #3 (Unskippable DVD Advertising): Audiovisual works released on DVD that contain access control measures that interfere with the ability to control private performance, including the ability to skip promotional materials.

Summary:

Disc name: Atlantis (from Disney)

I purchased the Disney DVD "Atlantis" in June of 2002 only to find that one of our television DVD players would only play the advertisements and menu. The movie itself would not play.
