

Name: Jim Gallo

Class of works: I am writing in support of Class #3 (Unskippable DVD Advertising): Audiovisual works released on DVD that contain access control measures that interfere with the ability to control private performance, including the ability to skip promotional materials.

Summary:

Disc name: Ice Age and Too many to list

I would like an exemption for copy protected DVD's because having to sit through the trailers, etc EVERY time I watch the DVD "Ice Age" causes me to lose precious personal time. I should not have to be held hostage to Hollywood advertising every time I watch MY movies.
