

Jailbreaking is not eLegal i spend a lot of money on my phones and tablets and games so who give you the right to tell me i cant do what i want to with my things that i pay alot of money for so i think that you should keep it Legal to do what i want to do with the things i pay so much money for !!!!!
so leave it Legal for me too do what i want todo with my things and make it perminint not a year to year thing come on people wake up !!!!!
