

Short Comment Regarding a Proposed Exemption Under 17 U.S.C. 1201

Item 1. Commenter Information

Robert Gusek

Email address: nc4rg@yandex.com

City: High Point

State: NC

Zip code: 27265

Item 2. Proposed Class Addressed

Proposed Class 26: *Software – 3D printers*

Item 3. Statement Regarding Proposed Exemption

By restricting the filament that is used in a 3d printer manufacturers are creating a monopoly, as a user who buys one of these printers is restricted to buying the filament from the manufacturer instead of being able to shop around for both the best price and different types of materials that may not be available from the manufacturer.
