Re: State Sovereign Immunity Study – Additional Survey Materials for the Record

Dear Mr. Mohr:

Thank you for attending the U.S. Copyright Office's State Sovereign Immunity Study Public Roundtables on December 11, 2020. Although we are not aware of any technological issues affecting the sign-up process, we understand that you have reported difficulty submitting the application to participate in the open mic session. To have the benefit of your contribution, the Office will provide you with the opportunity to submit a letter that summarizes the brief statement that you would have made during the open mic session. Please send your materials to me at jmang@copyright.gov by the close of business on January 15, 2021. Please note that any materials received by the Office will be made part of the public record on the State Sovereign Immunity Study webpage at copyright.gov.

Please feel free to contact me if you have any questions.

Sincerely,

Jalyce Mangum
