Re: Notice of Proposed Rulemaking re Changes to Recordation Practices,
Docket No. 2014-04, 79 Fed. Reg. 41470 (July 16, 2014)

Dear Ms. Charlesworth:

The Motion Picture Association of America, Inc. and our member studios¹ endorse the amendments to 37 C.F.R. Part 201 specified in the above-referenced Notice of Proposed Rulemaking. As you are aware, our members are heavy users of the registration and recordation systems, and we thank and commend the Copyright Office for its efforts to modernize and improve these processes. We look forward to working with you and your staff on this important topic in the months and years to come.

Very truly yours,
