Month 3 Day 1 Year 2011

DO NOT WRITE ABOVE THIS LINE. IF YOU NEED MORE SPACE, USE A SEPARATE CONTINUATION SHEET. (Form D-VH/CON)

1

TITLE

Please give the make and model of the vessel that embodies the design. Paracas 158

2

DESIGN

(a) What is the type or style of the design for which registration is sought? epoxy-laminated wood catamaran

(b) Provide a brief general statement setting forth the salient features of the design. configuration of a dual hull, 158 foot sailboat with A-frame girders at regular intervals throughout

Check here if this is a single design.

Check here if registering more than one design. Use Form D-VH/CON for additional designs.

(c) If this design is derived from an earlier design, describe how that design has been revised, adapted, or rearranged. n/a

3

DESIGNER(S)

Provide the name and address of the designer(s). The name of the employer may be given instead of the designer(s) if, (1) the design was made within the regular scope of employment of the designer(s) and (2) the individual authorship of the design is difficult or impossible to ascribe.

Check here if those conditions are satisfied and you are providing the employer's name.

Name: Andre Aisner Address: 2829 Bird Road, Suite 5-234 Miami, Florida 33133

4

OWNER, IF NOT DESIGNER(S)

If the owner is different from the designer(s) or employer named above, provide the name and address of the owner:

Name: The Paracas Group LLC Address: 2829 Bird Road, Suite 5-234 Miami, Florida 33133

5

PRIORITY CLAIM

(a) Was an application for registration of this design identified in an application filed in a foreign country that extends to designs of owners who are citizens of the United States, or to persons filing applications in the United States, similar protection to that afforded in 17 USC chapter 13?

Yes No

(b) If yes, identify the country and date of application: Country:

Date of application:

Serial No:

6

DATE MADE PUBLIC

Was this design made public before the date of application? Yes No

If yes, on what date? Month Day Year

**CERTIFICATION AND  
SWORN STATEMENTS**

**DECLARATION:** The undersigned, as the applicant or the applicant's duly appointed agent or representative, being hereby warned that willful false statements are punishable by fine or imprisonment, or both, under 18 USC §1001, and that such willful false statements may jeopardize the validity of this application or any resulting registration, hereby declares to the best of his or her knowledge and belief:

- (1) that the design has been fixed in a useful article;
- (2) that the design is original and was created by the designer(s), or employer if applicable, named in the application;
- (3) that those aspects of the design for which registration is sought are not protected by a design patent;
- (4) that the design has not previously been registered on behalf of the applicant or applicant's predecessor in title; and
- (5) that the applicant is the person entitled to protection and to registration under chapter 13 of title 17, *United States Code*.

Complete if applicable:

The design has been made public with a design notice as prescribed by 17 USC §1306.

Following is the exact form of the design notice:

n/a

Where on the useful article is the design notice located?

If the undersigned is not the applicant, he or she is properly authorized to execute this application on behalf of the applicant.

<b>Guests</b>	12 in 6 double cabins	<b>Crew</b>	8 in 4 double cabins
<b>Cruising speed (Power)</b>	13 kts	<b>(Sail)</b>	22 kts (hull speed)
<b>Top speed</b>	Over 25 kts	<b>Price</b>	\$22,000,000 USD

Making a statement...incredible aesthetics, uncompromised luxury, and a style that combines the romance of a bygone era with total integration of state of the art technology. Two story suites with spiral staircases, sauna, gym, above/below water observation room, and more wide open spaces than super-yachts twice her length. Arriving at any port she will convey an unprecedented presence of majesty, with a sophistication of contemporary design rarely seen in the yachting world

The *Paracas 158* is perhaps *the most* cost efficient mega-yacht on the market today. While under sail she regenerates her lithium ion battery bank with proprietary hydro-electric turbines. In less than a day of sailing she stores enough power to run all of her systems for up to 10 days. All of this without an ounce of fuel. She is the world's first *sustainable carbon zero* mega-yacht!
